Antique Rug Studio

19th Century Caucasian Karabagh Gallery Carpet

Description

The Karabagh region is adjacent to Persia and Iranian influences are especially evident in their large carpets such as this dark blue, mina khani c. 1890 rug with a medium blue rosette and triple flower main border. The design is semi-geometric and, although informal, is totally in sync with more urban carpets.

Stock ID: #17061 General Rug Type: Caucasian

Specific Rug Type: Caucasian - Karabagh
