Early 19th Century French Empire Aubusson Carpet

Description

This c.1830 French carpet is the exception that proves the rule:it is brown, not green, the medallion is roundish, with a broken garland edging, and there are no strict lines demarcating the border, here a running floral bouquet. All decoration is floral, nothing is geometric. The relatively small size of this antique rug makes it most versatile.

Stock ID:	#18819
