

Antique Rug Studio

19th Century N. Indian Agra Carpet

Description

This large, square northern Indian close-weave carpet features a tan-beige field with an all-over pattern of paired I. The designs of Indian carpets often do not “make sense” in the way Persian rugs do, but that makes their eccentricity all the more desirable. This good condition, antique carpet has particularly compressed palmettes in the side main border.

Stock ID:	#19451
General Rug Type:	vintage
Specific Rug Type:	Agra
