Kilim - Senneh #19953

Description

Kurdish Senneh kilims are the finest slit tapestry rugs from anywhere in the rug world. Seven narrow borders,. One with a fluoridate boteh pattern, frame an open orange-red field centered by an ivory, pendanted herati patterned medallion. There is a subtle tone-on-tone effect resulting from tiny weaving slits in the field. This c. 1870 piece is very finely woven and extremely elegant in overall presentation.
