Early 20th Century American Navajo Two Grey Hills Carpet

Description

In the two Grey Hills style, this early vintage scatter is precisely woven and displays a nested medallion pattern in light camel tones of stepped and jagged sub-medallions. The outer edge of the central motif has little split pendants and the flannel grey field shows bi-tonal square twists in black and off-white. This Caucasian-inspired scatter is in excellent condition.

Stock ID:	#21809
