Early 20th Century Chinese Peking Dragon Carpet

Description

Not yet Art Deco, still this unusual Peking rug has several strong stylistic traits pointing in that direction: the straw yellow ground with an ultra-subtle tone-one-tone pattern, the ivory border with outline dragons and Chinese characters, the generous use of open space. This northeastern Chine carpet bridges the Art Nouveau and Art Deco periods, and still looks chic today.

Stock ID:	#22808
General Rug Type:	Chinese
Specific Rug Type:	Chinese - Peking
