Late 19th Century N. Indian Agra Carpet

Description

The whole 35 feet of the Ardebil carpet, medallion, field arabesques, lamp pendants and cartouche/octofoil border has been compressed into this more convenient room size antique Indian city carpet with a blue-green field instead of the archetype's dark blue. Only the corner quarter medallions have been omitted in the proportion change. This is a very well-woven antique in good condition.

Stock ID:	#23259
