Mashad - amoghlee #6553

Description

An allover polychrome pattern of quatrefoil and anchor panels with enclosed Floral arabesques completely fill the field of this large, perfectly detailed interwar Sabeer Mashad oversize carpet. The navy border is in the 16th century classic style with light blue medallions alternating with red cartouches, in an extremely dense pattern. The palette is wide, with a crisp yellow and a turquoise. The condition is top notch and this casrpet will appeal to those who want the best in every respect.
